

## Presenza italiana in Australia

La “Presenza italiana in Australia” elenca, in ordine alfabetico, le aziende italiane con una presenza stabile e diretta in Australia: consociata, joint venture, filiale o ufficio di rappresentanza. Per ogni azienda viene indicata, oltre all’anagrafica, l’attività svolta e il settore di riferimento. Questo elenco intende rappresentare un utile strumento di analisi degli interessi economici italiani nel paese e offrire visibilità alle oltre 98 aziende italiane rilevate. L’elenco è stato compilato sulla base di rilevazioni dirette da parte dell’ICE con le aziende italiane o con le loro rappresentanze e non intende in alcun modo rappresentare l’elenco esaustivo di tutte le aziende italiane presenti. Nessuna responsabilità potrà inoltre venire attribuita a questo ufficio per la pubblicazione di eventuali dati inesatti o errori
